

March 31, 2019

The Women's Chamber of Commerce of Kansas City, Kansas is requesting applications for 2019 Scholarships. The scholarship amount will vary based on the available funds and the individual need.

We consider college scholarships to be of increased importance due to the rising cost of pursuing higher education. Education not only develops the personality and rationality of individuals, but prepares women to fulfill certain economic, political and cultural functions. We believe that this improves women's socio-economic status.

Our scholarships are awarded to non-traditional women students, enrolled in any post-secondary institution, and a resident of the Kansas City Metro area.

Our definition of non-traditional is: a woman student, 24 years of age or older.

We appreciate your assistance in communicating with your student body. Deadline for submission of applications is **June 15, 2019 by 5:00 pm.**

Please make all submissions by email using PDF format. Address all questions to the email listed below and a member of the Scholarship Committee will respond within 24 hours.

Sincerely,

WCC Scholarship Committee
